*I want to congratulate PossiBUILDity Community Services and Judith Brown for organizing this town hall.*

*PossiBUILDity is working very hard to have a positive impact on the community. It seeks to address diverse community needs, bring value, and create resilience in our neighbourhoods. By addressing issues like food insecurity, and growing needs for even basic necessities like shelter and clothing, PossiBUILDity is working to make a difference in the lives of many people. It is also working to connect seniors and youth to ensure everyone is supported.*

*I know that Judith and team will utilize every resource to ensure that everyone can live in a positive and caring community that helps them to a brighter future. Thank you for being a part of this incredible journey.*
